MIRAGE PASSPORT™

YOUR PASSPORT TO FUN!

Hobie is world-renowned for designing pedal kayaks that are fun and functional. We've been at it for over 20 years.

With the tried-and-true MirageDrive® Classic with ST Fins, we make it possible to reach isolated beaches and remote waters. We bring you closer to nature and further from the hustle and bustle.

The Passport takes you anywhere you want to go with ease and world-class authority. Every feature is designed with your entertainment in mind. Sail open water or fish the flats. We made sure you can do both thanks to the vertical accessory tube and molded-in rod holders. Dual mounting tracks keep your accessories within reach while the 8" Twist-n-Seal Hatch will keep them dry. The easy-to-use steering system and simplified version of our twist-and-stow rudder puts navigation at your fingertips and a smile on your face.
